

Beetek

Plastic Frame Range

Available in:
Full Depth Hoffman
3/4 Depth Hoffman
3/4 Depth Manley

- 100% pure virgin food grade resin
- Highest quality plastic frames
- Redesigned lugs to give maximum strength
- Black frames shows larve easily
- Features (yearly) production date stamps
- Custom frame colours & branding available

The Beetek Plastic Frame range has redesigned lugs to provide maximum strength. These evenly waxed coated frames are used and loved by the majority of New Zealand's Commercial Beekeepers, and Hobbyist alike.

Featuring redesigned lugs to give maximum strength. Made of robust, high quality, and durable plastic, ensures these frames last the test of time.
