5 & 7 Frame Full Depth  
6 Frame 3/4 Depth

Shown Assembled.  
(Requires Assembly)

Accessory colours are  
randomly selected.

- Smart Lock clips hold tight without velcro dots
- UV stable & rainproof
- 80kg stackable capability
- Good insulation levels
- Patented heat-sealed edge technology
- Customisable ventilation

Hive Doctor Smart Nuc's are the ideal solution for housing small colonies of bees, making them perfect for catching swarms or making splits.

Hive Doctor Nuc's were specially developed with a number of key features to improve on standard corflute nucs. Patented Heat Sealing Technology of all exposed edges improves thermal efficiency and helps the colony maintain a consistent temperature whilst the Smart Lock lid ensures the nuc remains firmly closed. Additional features include customisable venting and the addition of an optional queen excluder underneath.
