

HIVE DOCTOR W5 FEEDER USE & INSTALLATION

1. W-shaped bottom allows the bees to get to sugar syrup without the hive being perfectly flat
2. Strong design and materials, with a rib to strengthen central chamber, and prevent the feeder shape distorting
3. 5 Litre capacity
4. 68mm (2 x 34mm frame) width
5. Cap & Ladder clip together safely and securely
6. Pre-Assembled, and easy to disassemble for cleaning
