

# Hive Doctor

## One Piece Top Feeder

### 12 Litres

**New!**

- Feeding stations (bee savers) lock into place to prevent bee drownings
- Fill level indicators for measured feeds
- UV stable high quality food grade polypropylene
- Designed with reinforced walls and ribbing
- Perimeter access for feeding on uneven ground
- 90mm height
- Fully assembled - ready to go

The new One Piece Top Feeder from Hive Doctor saves you time and money whilst delivering a fantastic range of innovative features, including a larger capacity, integrated ready to use rim and multiple feeding station to improve bee access to syrup on uneven ground. The Hive Doctor One Piece Top Feeder is the ultimate top feeder!

Compatible with all types of Langstroth 10 frame boxes, the Hive Doctor One Piece Top Feeder is designed to withstand the rigours of beekeeping operations for many years.
