

# Hive Doctor Smart Bottom Board

Triple Disk Entrance  
(optional)

Pest Checking Tray  
(optional)

New & Improved Bar  
Entrance reducer  
(optional)

- Modular entrance for future functionality
- Deep floor with 21% ventilation
- Locating lugs keep storeys in place
- Corner holes for securing to pallets
- Rigid design to prevent bowing
- Sturdy UV resistant, food grade plastic

Building on the success of the Hive Doctor Original Bottom Board, the Smart Bottom Board adds a new level of functionality and adaptability.

The modular front entrance can be quickly customised to meet operational requirements. Available accessories currently include a Bar Reducer and Triple Disc Entrance. Future developments will include Pollen Traps, Hive Monitoring and more.

Optional Pest Checking Trays simply slide under the bottom board to close off venting or can be used to count mite drop.
